# More Powerful Ways To Save

## Home Performance with ENERGY STAR® Audit

Save big with expert help at a great value. For just \$100 (a \$400 value), a certified energy expert will help you identify energy-saving home improvements — including air sealing, duct sealing, insulation, and HVAC equipment upgrades — that may qualify you for 75% of the cost or earn up to \$7,500 in rebates.\*

Schedule your Home Performance Audit today at:

[EnergysaveMD-home.com/NOV2020](https://energysaveMD-home.com/NOV2020)

\*Rebate amount is based on the predicted energy savings for selected energy efficiency home improvements (maximum of \$7,500 per home).

Potomac Edison, their parents, subsidiaries, employees, affiliates and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of any contractor.

Rest assured that participating contractors will follow health and safety guidelines when visiting your home or business.

EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to [energysaveMD.com](https://energysaveMD.com).
