## Cool off summertime energy costs with rebates on energy-saving products.

With summertime in full swing, the JCP&L Marketplace offers several ways you can save and stay cool with energy-efficient products.

### Smart Thermostats

Take control of A/C costs with ENERGY STAR® certified smart thermostats for as low as \$29 thanks to a \$100 rebate!

### LED Bulbs

Light up your home without the extra energy use or heat! ENERGY STAR® certified LEDs generate up to 90% less heat than traditional bulbs.\*

### Air Purifiers

Breathe in fresh, clean air with \$50 off energy-efficient air purifiers!

While supplies last. The discount will be automatically applied at checkout. Customers are responsible for all applicable sales tax. Terms and conditions apply. Limit two (2) smart thermostats per electric account. Limit twenty-five (25) total LEDs (not packs) per electric account.

Costs of these programs may be recovered through customer rates in accordance with New Jersey law. For a complete list of commercial, industrial, residential and low-income energy efficiency programs, please visit [energysaveNJ.com](http://energysaveNJ.com).

By participating in energy efficiency and peak demand reduction programs, customers agree their electric utility will maintain ownership of all Capacity Rights from electric savings measures, which refers to the demand reduction associated with any energy efficiency or peak demand reduction measures for which incentives were provided by the Company.
