*Make your home shine...*

*...with premium outdoor lighting*

*Your home* is one of your biggest investments. Enhance its brilliance after sunset with high-quality outdoor lighting from FirstEnergy. Our unique landscape and deck lighting packages not only boost the warmth and beauty of your property, they also add value and discourage vandalism.

## **DURABLE, HIGH-QUALITY FIXTURES**

You can choose from a variety of modern fixtures manufactured in the USA from top-grade materials – with UL-Listed transformers for added protection. Our weather-resistant products withstand this region's extreme temperatures. The efficient, low-voltage bulbs automatically turn off if they become overheated or overloaded.

## **EXPERTLY DESIGNED**

Skilled, local contractors will help you design a layout tailored to your home's unique features. The results will reflect your intentions – whether it's creating a warm ambiance for a night-time meal or highlighting the features of your home's facade. Ask about our free home demonstration.

## **PROFESSIONAL INSTALLATION**

Once you decide on a suitable layout, just sit back and relax while your safe, durable fixtures are professionally installed. Our contractors have years of experience to get the job done quickly and efficiently with little or no disturbance to you and your property.

## **PAYMENT OPTIONS**

Take advantage of our easy payment plan – no money down and low-monthly payments (three to 48 months with approved credit) on your monthly electric bill.

*Dramatically enhance* your home's appeal after dark with outdoor lighting that's professionally designed and installed. You can choose from two complete landscape lighting packages. Both offer flexible designs to enhance your home and property.
