

Excess Generation Accrual Election Form

Customer Number (20 digits) _____

Account Number (12 digits) _____

First Name _____ Last Name _____

Service Address _____

City _____ State _____ ZIP Code _____

Excess Generation Accrual Method Election (select one)

12 – Month Accrual _____ **OR Indefinite Accrual** _____

Excess Generation is paid out
based on the account balance after the
April meter reading.

Excess Generation is paid out only upon
closure of this account.

The election of accrual method will remain standing until the account holder has provided an updated election form. The account holder may make a new election once per calendar year. All requests received will be effective in the subsequent calendar year. Customers that have not made a selection will default to the 12-month method. Excess generation is paid out to the customer at the rate charged for electricity commodity only, exclusive of distribution, transmission, or other non-commodity charges.

CUSTOMER – Please complete the following section if you are choosing to have a third-party representative make this and future selections.

☐ I authorize the following person to make changes to the excess generation accrual method election for this account on my behalf.
