

## Request for a New User ID and Password

FORM NO. X-4349 (06-22)

This User ID and Password will allow you website access to Eligible Customer Lists for Ohio (Illuminating Company, Ohio Edison and Toledo Edison), Pennsylvania (Met-Ed, Penelec and Penn Power), the Interested Customer List for Maryland (Potomac Edison). You will also have access to all of your Sync Lists.

The User ID and Password **Administrator** must complete this form and attach to the Contact Supplier Services Web Form. <https://www.firstenergycorp.com/supplierservices/contact-us-supplier.html>. We will assign the User ID and Password to the **Administrator only**. The Administrator will be responsible for managing the assigned password and the distribution of the password to representatives on your end. The Administrator will also be responsible for any password changes.

A [Non-Disclosure Agreement](#) must be executed and returned before a User ID and Password will be issued. See [Supplier Registration](#) for additional certification requirements.
