Dear «SALUTATION»:

Your electric generation supplier in the New Jersey Energy Choice program:

«FRMR_SUPPLIER»
«FRMR_SUPPLIER_ADDR»
«FRMR_SUPPLIER_PHONE»

has elected to end its contract with you on your first scheduled meter-reading date after «START_DATE». Please call your electric generation supplier if you have any questions about this decision.

If you decide to select a new electric generation supplier, you must contact your chosen supplier directly. You must provide your new supplier with the 20-digit customer number listed on your bill. Your supplier will notify JCP&L of your selection, and you will receive a letter from us confirming your choice. Under our tariffs, customers may choose a new supplier at any time.

If you have questions, please call our Retail Choice Center at 1-888-478-2300 from 8 a.m. until 8 p.m., Monday through Friday.
