Dear «SALUTATION»:

We have been notified that you have selected the following company as your new electric generation supplier for the New Jersey Energy Choice program:

«NEW_SUPPLIER»

«NEW_SUPPLIER_ADDR»

«NEW_SUPPLIER_PHONE»

Our records indicate that you will receive separate bills from JCP&L and your electric generation supplier.

You do not need to take any action if this information is correct. If this information is incorrect or if you would like to cancel this supplier change, please contact us within **seven days** of the date of this letter. Unless we hear from you, your new electric generation supplier will begin providing your electricity on your first scheduled meter reading date after «START_DATE». If you are a non-residential customer, cancellation of this request is subject to the terms of your supplier contract.

An enrollment with an electric generation supplier for the New Jersey Energy Choice program may be as a result of a government aggregation through the participating municipality. The aggregating municipality determines the geographic boundaries of the municipality and maintains records of municipality addresses. Subject to the terms of your supplier agreement, you may return to JCP&L's tariff rates at any time regardless of how you were enrolled.

If you have questions, please call our Retail Choice Center at 1-888-478-2300 from 8 a.m. until 8 p.m., Monday through Friday.
