Public Service Commission

Re: Case No. 9056 and 9064

Dear Mr. Spivak:

The Commission has reviewed Staff's request filed on August 25, 2014 for the Commission to permit the investor-owned utilities ("IOU") to cease filing the annual reports on Standard Offer Service ("SOS") electricity procurements required under the Settlement in Case No. 8908 and to approve the 2015 SOS Bid procurement documents.

After considering this matter at the September 3, 2014 Administrative Meeting, the Commission approved the 2015 SOS Request for Proposals and Full Requirements Service Agreements ("FSA"), adopted the proposed bid plans of the investor-owned utilities as filed, and approved Staff's request to eliminate the IOU's filing of annual reports on SOS electricity procurements.

By Direction of the Commission,

/s/ David J. Collins
